VLADKO MURDAROV. MISCELANEOUS TIPS ABOUT VERBS

SOFIA, BLACK FLAMINGO PUBLISHING, 2021. 167 P.

The review is dedicated to the new book of Prof. Vladko Murdarov, DSc „Miscellaneous tips about verbs“, which draws attention to the hesitations and mistakes that Bulgarians most often make with verbs in their oral speech. Examples related to the mispronunciation of verbs and verb forms, as well as the expressions in which they are included, are selected, and the possible reasons for the mistakes are indicated. An assessment of a number of new phenomena in our language, manifested in public speech, which are waiting for the most correct decision, is also given.
